Hazard Review for Year 2018

Dear Mr. Spain,

KEI (USA) Power Management, Inc. on behalf of KEI (Maine) Power Management (II) LLC has conducted a survey of the inundation areas downstream of the Milo Hydroelectric Project. No changes or new developments were noted that would require changing the hazard classification of this project.

If you have any questions or require additional information please feel free to contact me at our Gardiner, Maine office.

Sincerely,
