**RE: MICHIGAN DEPARTMENT OF NATURAL RESOURCES MAILING LIST CHANGES FOR THE  
FRENCH PAPER PROJECT (FERC NO. 10624)**

Dear Ms. Bose,

The Michigan Department of Natural Resources (Department) is reviewing the mailing lists in the Commission's files for the hydropower projects in Michigan. We find the Commission's e-library and e-subscription service very useful and most staff now receive Commission issuances and notices of filings through those systems. By consolidating our listings for each project, we can help reduce costs and paper usage. However, one copy of each notice would help make sure we receive the information the Commission deems important enough to provide mailed notices. Therefore, the Department requests that for the French Paper Project you remove to addresses noted in Appendix 1 and replace those contacts with a single contact for the Department:

Michigan Department of Natural Resources  
Habitat Management Unit – Fisheries Division  
525 W Allegan  
Lansing, MI 48933

We appreciate the Commission's assistance on this matter. If you have any questions or need clarification, please feel free to contact me at: Michigan Department of Natural Resources, Mio Field Office, 191 S. Mt. Tom Rd., Mio, MI, 48647.

Sincerely,

Kyle Kruger  
Senior Fisheries Biologist
