Re: Appalachian Power Company
Winfield Hydroelectric Project No. 1290
Article 404, *Recreation Plan*
Documentation of Completion of Signage Installation

Dear Secretary:

Appalachian Power Company (Appalachian) is the licensee for the Winfield Hydroelectric Project No. 1290 (Project) on the Kanawha River in West Virginia. On November 26, 2024, the Federal Energy Regulatory Commission's (Commission) issued a letter acknowledging receipt of the 2023 recreation facilities adequacy review report for the Project. The letter requested that Appalachian submit to the Commission documentation of completion of signage installation. The attached photograph is provided as documentation of signage installation. The sign was installed on February 20, 2025. The approximate coordinates of the sign location at the Project are 38° 31' 27" N, 81° 54' 44" W. If there are any questions regarding this filing, please contact me at 540-985-2984 or esbrennan@aep.com.

Sincerely,

Edward S. Brennan
Plant Environmental Coordinator Principal
