GreenGen Response to EBMUD's Draft License Application Comments

Dear Acting Secretary Reese:

On March 14, 2025, GreenGenStorage, LLC (GreenGen) submitted its Final License Application (FLA) for the proposed Mokelumne Pumped Storage Project (P-14796; Project). On March 19, 2025, East Bay Municipal Utility District (EBMUD) alerted GreenGen to the fact that EBMUD could not find GreenGen's responses to EBMUD's comments on the Draft License Application (DLA). Upon review, GreenGen realized that it had failed to respond to EBMUD's DLA comments and as such submits them now.

If you have questions or require additional information, please don't hesitate to contact me at (510- 435-9145) or nicholas@greengenstorage.com.

Sincerely,

A handwritten signature in black ink, appearing to be "Nicholas Sher".
